NOTICE OF INTENT TO OBJECT TO PROCEEDING

Mrs. FEINSTEIN, pursuant to the provisions of section 512 of Public Law 110-181, submitted her notice of intent to proceed to consider the bill (S. 223) to require the Senate candidates to file designations, statements, and reports in electronic form, dated Oct. 2, 2007, for the following reasons:

Mr. President, I objected to Senator ENSIGN's proposed unanimous consent

of September 27, 2007, to take up and vote on an amendment to S. 223, the Senate Campaign Disclosure Parity Act, which is not germane to the underlying bill and has not been reviewed by the Rules and Administration Committee.

The proposed Ensign amendment would require outside groups, such as advocacy and charitable organizations, that file ethics complaints to disclose their donors.

His proposal to require limited debate and then a vote on the amendment before voting on S. 223 could be prevent the timely passage of the underlying bill before the 2008 election.

Next year's presidential and congressional elections are expected to have record contributions to and expenditures by candidates for federal offices. Electronic filing by Senate candidates will provide timely reports of these activities.

I believe the subject matter of the Ensign amendment would be best addressed first in the Rules Committee, where a hearing will provide an opportunity for all interested parties to express their views on this matter.
